ALL FORMER KANSAS FBLA STATE OFFICERS & MEMBERS

For our **75th** Year Celebration,
we are asking state officer and member alumni to join our

KANSAS FBLA

Legacy Network

For
\$10

you will help begin our first ever
Kansas FBLA alumni database,
which will be used:

1

To provide a resource for advisers to ask questions from alumni for **career investigation**.

2

To provide a resource for chapters to ask for mentors for **competitive events**. **Example: students needing help with programming or developing a financial plan**

3

To provide possible assistance with **competitive events** or to help **judge** at a state or district conference.

4

To provide a working database where Kansas FBLA can provide a **yearly update via email** about the amazing programs and initiatives occurring within Kansas FBLA.
